

Sawtry Village Academy celebrates GCSE results

Students at Sawtry Village Academy are celebrating GCSE results with 68% of students achieving a good pass in English and mathematics.

Particular praise goes to the English and mathematics departments where 80% and 72% of students respectively achieved a grade 4 or higher. Congratulations goes to all students and staff who have navigated the new 9-1 GCSE courses with great success.

Over 10% of all entries were graded 9, 8 or A* alongside 24% of all entries graded 7 or A and above.

The science department shows a continued improvement on 2016 results with 65% of students achieving at least 2 or more C grades in two sciences. Biology, chemistry and physics all achieved 100% C grades or higher.

The following individual students all achieved exceptional results; Lauren Chalker, Freya Walton, Abigail Dalby, Libby Jarvis, Emma Hunt, George Davison, Morgan Davis, Jake Smith, Chloe Phillips, Dagmara Aulich, Matthew Vallier, Aisha Teffah, Megan Childs, Bradley Parnell, John Moody and Chloe Bradford.

Sarah Wilson, Principal at Sawtry Village Academy, commented: "We're really proud with these results which showed improvement year on year over the past three years, which is testament to the hard work of our students and staff. We are particularly pleased with how the progress gap between disadvantaged and non-disadvantaged students has narrowed significantly again this year".
