

EMBARGOED UNTIL 09.30AM THURSDAY 22 AUGUST 2019

Sawtry Village Academy Achieves Record Results

Students at Sawtry Village Academy are celebrating GCSE results with 72% of students achieving a good pass in both English and mathematics.

Mathematics improved by 10% on 2018 with a highly impressive 81% grade 4 or above. English maintained the exceptional performance of 2018 with 87% (3% higher than 2018) of students attaining a grade 4 or higher.

Over a quarter (25%) of all grades were awarded 9, 8, 7, with over 62% of all grades, 5 or higher.

Highly impressive results in the following subjects (% grade 4 or above) fine art (80%), food and nutrition (88%), Spanish (94%), history (77%), physical education (100%), textiles (94%) and media (85%).

The following individual students all achieved exceptional results; Daniel Heap, Lawrence Nobbs, Lynden Dalby, Jasmine Wade, Lucy Collins, Callum Holt, Ella-Louise Hutchinson, Karina Vellam, Sarah Cunningham & Nell Walton.

Simon Parsons, Headteacher at Sawtry Village Academy, commented: "We are immensely proud of these results which demonstrate continued academic excellence over the past four years and our best ever pass rate of a good pass in English and mathematics; this is testament to the hard work of all students and staff.

These great results come just as we move into a new three-storey, 18 classroom building and make the Leisure Centre's excellent range of facilities available to our students once more. All of this will ensure an exciting and promising future for the Academy and our community".
