Ready Respectful Responsible

STRIVING

- We strive with resilience to understand and retain new and difficult knowledge, skills and concepts, carrying on when things challenge us.
- We strive to be ready to learn both independently and collaboratively.
- We strive to accept and act upon feedback, enabling us to reach our full potential.

VALUING

- We value and celebrate the individual opinions, ideas and diversity of others.
- We value our relationships with others through kindness, becoming responsible and respectful citizens.
- We value, respect and look after our school, local community and the environment.

ADVENTURING

- We adventure through curiosity beyond the classroom, to be extraordinary, to earn our 'PLEDGES' and to engage in extra-curricular activities.
- We adventure out of our comfort zone to try new enriching experiences, broadening our horizons.
- We adventure beyond our school community and explore the wider working world.
